

Important Notice to Our Customers

Product Change Notice 200718A

Date: July 18th, 2020

Re: Temperature Calibration Interface 600-0120

To Our Valued Customers:

We appreciate your use of the Computrac® brand of moisture analyzers. The purpose of this notice is to inform you that the Computrac® **Temperature Calibration Interface 600-0120** will no longer be manufactured or serviced as of September 30th, 2020.

PCN Type:

Notice of end of product life (EOL) requiring customers to migrate to an alternative product for new purchases or service requests after September 30th, 2020.

Product(s) Affected:

Computrac® MAX-2000/2000XL

Customer Impact:

As of September 30th, 2020, customers will no longer be able to place new orders, receive shipments, or receive services, including calibration. Current warranty will be honored.

Please contact AMETEK Brookfield for recommendations on alternate products. Also, visit the Computrac® product page at www.azic.com for more information on our current line of moisture, solids and ash analyzers, including the Vapor Pro® XL.
